
Sport Premium Overview

Escomb Primary School

“Growing and Learning Together.”

At Escomb Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people’s lives for the better.

We have welcomed the Government’s announcement in June 2013 to provide additional funding to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

This funding will be ring fenced, and will be allocated directly to primary schools across England, providing them with a dedicated resource to buy in invaluable expertise and support. Primary schools can determine what they believe to be the most appropriate use of this funding.

The funding formula for schools is based on the number of primary aged children on roll. The sport premium should be used to increase the quality & breadth of PE & Sport provision, and increase participation in PE & Sport.

At Escomb Primary School we aim to ensure:

- All pupils have access to high quality PE lessons to develop fitness, stamina, health and well-being
- Children enjoy sport and physical activity
- All pupils have the opportunity to take part in festivals and competitions
- Pupils have the opportunity to participate in sport beyond the curriculum
- Our curriculum offers opportunities for pupils to develop the knowledge and understanding of what makes a healthy lifestyle
- We have strong links with the local community to enrich the PE provision within school
- Children know and apply skills across the disciplines in sport, and can swim at least 25 metres by Year 6.

High quality PE

We have a wide range of sporting activities at Escomb Primary School to enhance and enrich our PE curriculum. Some of these are funded through the use of the Sport’s Premium and others are funded from school funds.

- All pupils have PE lessons in school. These cover the whole range of the subject – movement, fitness, gymnastics, dance, games, athletics, swimming.

- Swimming takes place from Year 3. Catch-up sessions take place for Year 6 pupils in the Summer term.
- Pupils in KS2 have the opportunity to take part in a residential visit in Year 6 for Outdoor and Adventurous activities.
- After-school clubs take place throughout the year with coaches for a variety of sports and activities.
- We have additional specialist coaches, to support class teachers in the delivery of the curriculum.
- We enter competitions and festivals that take place throughout the year. These include: tag rugby, basketball, dance, athletics, cricket, netball.
- We support and enhance early movement skills in Reception Class and beyond through a fundamental movement programme.
- We take part in local competitions, such as the Cluster football league, inter-school games and intra-schools competitions

PE Kit

Pupils are expected to change into PE kit for their PE lessons.

All jewellery and watches should be removed for reasons of safety. PE kit consists of t-shirt and shorts. (PE is available to order: white T-shirt and navy/black shorts.)

For indoor PE/Dance

Shorts and T-Shirt, Plimsolls/bare feet

For Games/ outdoor PE

Shorts and T-Shirt, Tracksuit/ sweatshirt in colder weather
trainers (must be a change from normal day wear)
