

Home Learning – Reception class

Understanding the World - Technology

Ladybird Spots - counting, matching and ordering numbers to 10.

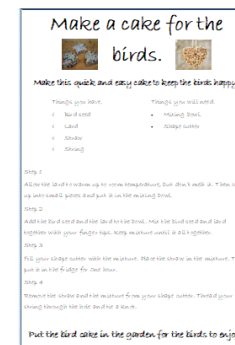

<https://www.topmarks.co.uk/learning-to-count/ladybird-spots>

Understanding the World – The World

Make a bird feeder - ([see instructions](#) in your pack)

Sit back and watch the birds enjoy their food!

Understanding the World – The World

What happens when you freeze toys?

Ask a grown up to freeze one of your toys in some water.

How will you get the toy out? What can you do to melt the ice?

Expressive Arts - Create

Paint or draw a picture of a [winter scene](#).

Please take photographs of you completing the activities and upload on to your tapestry account. This means Miss Maddocks gets to see the wonderful things you are doing at home! ☺
