

Science - Why is the sound that Ed Sheeran makes enjoyed by so many?

Have a walk outside or go into your back garden and listen to all of the different sounds you can hear. Write them all down into a list.

Think about how you think these sounds are being made eg. tweeting of the birds, trees rustling as the leaves brush together.

Watch this BBC Bitesize clip about how sounds are made:

Place your hand on your neck and hum - what do you feel?

Complete a table that explains what sounds you have heard and how you think they have been created.

How do you think we hear different sounds?

Research the different parts of the ear and how each part works.

Imagine you want to teach somebody all about the ear. Can you create a poster that explains how the ear works. You may want to draw your own diagram of the ear and label the different parts as well as writing some sentences for each to explain.

Key Words:

Pinna, Ear Canal, Eardrum, Ear Bones, Cochlea, Auditory Nerve, Eustachian Tube

History - Has Greece always been in the news?

What do you think life was like for Ancient Greeks?

Look at the website below and research what life was like for different members of an Ancient Greek Family.

<https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/zc8yb9q>

Can you create a leaflet or a PowerPoint presentation that explains each member of the family as well as comparing their lives to what our lives are like today? You may want to focus on comparing the lives of Ancient Greek children and children today.

Who do you think was the best Greek God?

Using this website along with any our resources you might have, I would like you to research each Greek God and find out all about them.

Who are they?

What are they the God of?

Did people like them?

Can you create a PowerPoint or an information leaflet that describes and explains who each of the Greek Gods are?

You may wish to use the images from the website to support your PowerPoint or draw you own pictures of each God.
