Science		<p style="text-align: center;">How do the season impact on what we do? (link to Geography – Where to the leaves go in Winter?)</p> <p style="text-align: center;">- Observe changes across the four seasons. - Observe and describe weather associated with the seasons and how day length varies. Observe changes in the school grounds. Trees, plants and flowers, animals</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 33%; padding: 5px;"> Which materials should the Three Little Pigs have used to build their house? - Distinguish between object and materials used. - Name everyday materials. - Describe properties of materials. - Compare and group materials based on simple properties. Use the forest area to build houses for the three little pigs/a den for the wolf. Look at brick work around school </td> <td style="width: 33%; padding: 5px;"> Why are humans not like tigers? - Identify and name common animals. - Identify and name common carnivores, herbivores and omnivores. - Compare the structure of common animals. - Identify, name, draw and label the basic parts of the human body. Look for animals/minibeasts in the school grounds </td> <td style="width: 33%; padding: 5px;"> Which birds and plants would Little Red Riding Hood find in our park/school grounds? - Identify and name common plants. - Describe basic structure of flowering plants. Use the school grounds to identify birds, flowers and plants Article 29: Your education should help you to use and protect the environment. </td> </tr> </table>			Which materials should the Three Little Pigs have used to build their house? - Distinguish between object and materials used. - Name everyday materials. - Describe properties of materials. - Compare and group materials based on simple properties. Use the forest area to build houses for the three little pigs/a den for the wolf. Look at brick work around school	Why are humans not like tigers? - Identify and name common animals. - Identify and name common carnivores, herbivores and omnivores. - Compare the structure of common animals. - Identify, name, draw and label the basic parts of the human body. Look for animals/minibeasts in the school grounds	Which birds and plants would Little Red Riding Hood find in our park/school grounds? - Identify and name common plants. - Describe basic structure of flowering plants. Use the school grounds to identify birds, flowers and plants Article 29: Your education should help you to use and protect the environment.
Which materials should the Three Little Pigs have used to build their house? - Distinguish between object and materials used. - Name everyday materials. - Describe properties of materials. - Compare and group materials based on simple properties. Use the forest area to build houses for the three little pigs/a den for the wolf. Look at brick work around school	Why are humans not like tigers? - Identify and name common animals. - Identify and name common carnivores, herbivores and omnivores. - Compare the structure of common animals. - Identify, name, draw and label the basic parts of the human body. Look for animals/minibeasts in the school grounds	Which birds and plants would Little Red Riding Hood find in our park/school grounds? - Identify and name common plants. - Describe basic structure of flowering plants. Use the school grounds to identify birds, flowers and plants Article 29: Your education should help you to use and protect the environment.					
Computing		Working scientifically - on going across the year					
		Beebots – Local area mapping, moving around, retell an adventure Algorithms – Basic instructions/obstacle course/logging onto a computer sequence Learning to login Typing/mouse skills Creating videos Taking photos	Beebots – Map of the world, using symbols to write a code Algorithms – Using Apps – Kodable, Daisy the Ipad, Bluebot Typing/Labeling Weather presenting Saving and sorting images	Beebots – writing and debugging code. E.g story map of plant growth Algorithms – Reading code and editing Purple mash Creating a film Pictograms			
History		E-Saftey					
	Where do, and did, the wheels on the bus go? Awareness of the past and the way it is similar to and different from the present. Local history	Why is a Wii more fun than my grandparent's toys? - Discussing changes within living memory. – Revealing aspects of change in national life use the school grounds to play old games such as catapuls, hopscotch, football, hula hoop		Who was famous when my mum and dad were little? (Ant and Dec) - Researching lives of significant individuals in the past who have contributed to national and international achievements Article 4: the government has the responsibility to protect your rights.			

Geography	Where do the leaves go in winter? (link to Science – How do the season impact on what we do?) - Identifying seasonal and daily weather patterns in the United Kingdom.					
		Where do, and did, the wheels on the bus go? Using world maps, atlases and globes to identify the United Kingdom and its countries.		Where in the world can a meerkat live? - Identifying seasonal and daily weather patterns in the United Kingdom.- Locating hot and cold areas of the world in relation to the Equator and the North and South Poles.		
Design Technology	Structure - Constructing Windmills		Mechanisms -Fairground Wheel		Food -Fruit and Vegetables	
Art	Art and Design Skills -printing techniques		Formal Elements of art -Shape, line, colour		Landscapes using different media -composition and texture	
Music	How can we make friends when we sing together? Introducing beat How does music tell stories about the past? Adding Rhythm and Pitch		How does music make the world a better place? Introducing tempo and dynamics How does music help us to understand our neighbours? Combining pulse, rhythm and pitch		What songs can we sing to help us through the day? Having fun with improvisation	
P.E.	Games – Beanbag Throw Games – Ten Point Hoops Dance – fundamental skills		Games - Piggy in the Middle Dance – Themes and Dreams Gymnastics – Assessing level 1 Unit 1		Games – Rolla Ball Athletics – Honey Pot, Colour Match Gymnastics – Making Shapes OAA – Where are we going?	
PSHE	TP1 – Who is in my family? TP2 – Who are my important people? TP3 – What makes a person?	TP4 – What makes me happy? TP5 – What does sad feel like? TP6 – Why do we have rules?	TP7 – Is it kind or unkind? TP8 Is teasing ever ok? TP 9 – What should I do if I don't like it?	TP10 – What does worry feel like? TP11- How do I keep safe? TP12 – What should I do in an emergency?	TP13-When should I wash my hands? TP14- - Why are teeth important? TP15- What should I do with money?	TP16 – What did I need as a baby? TP17 – How can I be more grown up? TP18 – Do I have to be the best?
R.E.	What can we learn about Christianity from visiting a church? What do Christians believe about God? Why are gifts given at Christmas? Article 30: you have the right to learn and use the traditions, religion and language of your family. Article 14: You have the right to choose your own beliefs.		Why is Jesus special to Christians? What is the Easter story? Article 30: you have the right to learn and use the traditions, religion and language of your family. Article 29: Education should encourage you to participate in a free society, and encourage you to respect your own culture and other people's culture Article 14: You have the right to choose your own beliefs.		What can we find out about Buddha? Article 14: You have the right to choose your own beliefs. Article 20: you must be looked after by people who respect your religion, traditions and language.	
Statutory subject in all year groups Curriculum must be based on Durham Agreed Syllabus 2020 for all maintained schools
